LIVE YOUR DREAM

LIVE YOUR DREAM is a program designed to offer support to women as they move from an abusive or shelter situation into their own home; whether that home is a house or an apartment. The woman will be presented with a laundry basket full of supplies everyone needs as they face moving day....cleaning supplies, paper products, etc. In addition, each basket comes with a \$100 gift certificate to Target! The finishing touch will be a gift certificate for a casual meal on that first day in their new home.

To apply for a basket for a client, please mail or e-mail the form below to Joy Hardin, 39 Homestead Drive, Yardley, PA 19067; joyous@verizon.net at least two weeks in advance of the planned move.
