LIVE YOUR DREAM BASKET PROJECT

The LIVE YOUR DREAM Basket Project is a program designed to offer support to women as they move from an abusive or shelter situation into their own home; whether that home is a house or an apartment. The woman will be presented with a laundry basket full of supplies everyone needs as they face moving day....cleaning supplies, paper products, etc. In addition, each basket comes with a \$100 gift certificate to Target! The finishing touch will be a gift certificate for a casual meal on that first day in their new home.

A woman is eligible for a LIVE YOUR DREAM BASKET if she is a resident of Bucks County and has not received either a LIVE YOUR DREAM BASKET or a Soroptimist of Indian Rock, Inc. Helping Hand Emergency Fund Grant within the last two years.

To apply for a basket for a client, please mail or e-mail the form below to Dot Oczukowski, 152 Mallard Road, Holland, PA 18966; doczkowski@comcast.net at least one week in advance of the planned move.
